

## PRICING INCREASE ANNOUNCEMENT

To: All Indiana Seal Customers

Date: September 5, 2017

Subject: PVC Flexible Coupling Pricing

Hurricane Harvey is having a significant impact on the PVC supply chain. We have begun to see price increases in resin. As a result of these increases, we find it necessary to increase our Indiana Seal PVC flexible couplings list prices by 15%. The effective date will be October 1, 2017.

New list prices will be available shortly at [www.indiana-seal.com](http://www.indiana-seal.com), and price books will be mailed after they are printed.

Please contact your local manufacturer's representative or your local GPK Products Regional Sales Manager if you have any questions.

Our thoughts and prayers are with the people impacted by this catastrophic event.

Sincerely,

Brad Keller  
President/CEO  
GPK Products, Inc.
