

Indiana Seal 10/15/20 price page revisions.

The following changes will be completed with the revision of the Indiana Seal price pages dating back from 10/1/2017

- List Prices are being revised
- The listed parts will have multiplier code changes going from IA to IC.
- New parts over the past 3 years will be added into the book.
- Removal of the .007 thickness shear ring couplings.
