Indiana Seal price increase 3/1/2021

GPK Products/Indiana Seal will be implementing a 6% price increase on our Indiana Seal flexible product line effective March 1, 2021. The price increase will exclude Amazon Shear ring couplings. The price increase is due to increased raw material costs, freight, as well as labor.

New list prices will be available at www.indiana-seal.com, and price books will be mailed prior to the increase.

Please contact your local manufacturer's representative or your local GPK Products Regional Sales Manager if you have any questions.

Sincerely,

Joe Hoffman
