

24 May 2016

To Whom It May Concern:

This letter is to certify in writing that all the flexible transition couplings with stainless steel hose clamps produced by Indiana Seal, A GPK Products Company have manufacturing operations in the United States of America. This letter also certifies that the Shearguard couplings also comply with the Buy American clauses.

-Buy American requirements established under Title 49 U.S.C. Section 50101
-“Buy America” provision requirements of the “Surface Transportation Assistance Act of 1982” (STAA) section 165.

This letter also certifies that these couplings with stainless steel hose clamps are produced and assembled at Indiana Seal, A GPK Products Company manufacturing facility located at 1601 43rd Street North in Fargo, North Dakota 58102.

Additionally, the fittings are produced to meet or exceed all applicable standards as set forth by ASTM C 1173.

Sincerely,

GPK PRODUCTS, INC.

Mark Jacobs
QC Manager
